## Your employer

The Department of Education (DoE) is committed to ensuring Queenslanders have the education and skills they need to contribute to the economic and social development of Queensland. The department delivers world class education services for people at every stage of their personal and professional development. We are also committed to ensuring our education systems are aligned to the state's employment, skills and economic priorities. DoE is a diverse organisation with the largest workforce in the state. We are committed to teaching and learning environments that have at their centre child/student and staff health and safety. We provide services through the following service delivery areas:

- State Schools Division delivers high quality education to more than 70 percent of all Queensland school students at prep, primary and secondary levels.
- Policy, Performance and Planning Division takes a strategic approach to driving the business of the portfolio, across, schooling, early childhood, education and care and Indigenous education policy. The division engages in policy development and intergovernmental relations, legislation, governance and planning, and monitors and reviews the department's performance framework.
- The Early Childhood and Education Improvement Division is responsible for the strategic management and implementation of early learning and development reforms, coordination of early childhood education and care programs, approval and regulation of services, supporting assessment and ratings and the quality improvement for all early childhood development and education improvement in Queensland. The Division is also responsible for monitoring and supporting school performance and improvement through the leadership and management of a school review program.
- Corporate Services Division consists of Information and Technologies Branch, Finance Branch, Procurement Services Branch and Infrastructure Services Branch which work together to ensure that the department achieves sustainable investment, better utilisation of assets and resources, increased organisational productivity and accountability from its investment for both business and education outcomes.
- The People and Executive Services Division consists of Human Resources Branch, Strategic Communications and Engagement Branch and Legal Services.
- The Office of Industrial Relations (OIR) contributes to the Government's strategic objectives in the areas of workplace health and safety, electrical safety, workers' compensation, industrial relations and labour hire regulation and seeks to improve performance in these areas through regulatory and policy frameworks and the provision of evidenced-based services and advice.

State Schools Division is responsible for ensuring Queensland state school students are engaged in learning, achieving and successfully transitioning to further education, training and work.

State Schools Division develops the strategic direction for state schools, supported by operational policies and ensuring their implementation in regions and schools.

Schools are the focus of expertise in learning. They perform a vital role in providing opportunities to students to acquire knowledge and understanding, pursue special interests, strive to achieve excellence and develop social and vocational skills. Their core business is providing a learning program for students to achieve system wide and school based learning outcomes. Schools also aim to facilitate and support participation among parents, students, administrators, teachers and others in the school community and between the school and departmental support structures.
