SRS Resource Lists for 2025 will be available for review on the school website by 29 November. These lists provide information on what your student can expect to receive in class if they are participating in the Student Resource Scheme. It also provides the charges for each subject if they are not participating in the scheme. If you are unable to view these online, your student is able to collect a copy from Student Services.

Students participating in the Student Resource Scheme will receive their textbooks during class time in early Term 1, 2025.

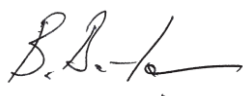

You will receive an invoice for the 2025 Student Resource Scheme in Week 7, 2024. The fee for 2025 remains at the 2024 rate of \$405.00. This payable amount takes into consideration The Text & Resource Allowance received for students. The preferred method for paying the invoice is by BPOINT.

Please note that Student Services is unable to accept any payments after 29th November 2024. Payments can, however, continue to be made using BPOINT using the link on your invoice. Student Services will reopen on Monday 20th of January, 2025. The hours for that week will be displayed on our website in Week 8, 2024.

Stationery lists will soon be available on the school's website. If you are unable to access stationery lists online, your student is able to collect a copy of the list from Student Services.

The main office will reopen on Monday 20 January 2025. The office hours for this week will be displayed on our website in Week 8, 2024.
