

### User Pay Subject Fees

User Pay Subject Fees (UPSF) cover direct costs of courses provided by external organisation and specialty programs. These fees will be finalised in early 2026 for some providers.

| User Pays Subject                                                                   | Annual Fee |
|-------------------------------------------------------------------------------------|------------|
| <b>Instrumental Music &amp; Choirs</b>                                              |            |
| One Ensemble                                                                        | \$125.00   |
| Two or more Ensembles                                                               | \$175.00   |
| <b>The Arts</b>                                                                     |            |
| JAC Performing Arts                                                                 | \$460.00   |
| JAC Art & Media                                                                     | \$150.00   |
| CAD Performing Arts                                                                 | \$400.00   |
| Junior Performance Teams                                                            | \$250.00   |
| Senior Performance Teams                                                            | \$250.00   |
| Dance Performance Teams Admin Fee                                                   | \$150.00   |
| <b>Certificate Courses</b>                                                          |            |
| Certificate II in Foundations Skills for Work                                       | \$250.00   |
| Diploma of Business*                                                                | \$2,500    |
| First Aid                                                                           | \$75.00    |
