Investing for Success

Under this agreement for 2016
MACGREGOR STATE HIGH SCHOOL will receive $758,333*

This funding will be used to

- Increase Years 7, 8 and 9 Levels of Achievement in 2016 from 65% to 68% As and Bs and 30% Cs
- Increase NMS from 86% to 90% or better for all Years 7 and from 85% to 90% for all Years 9 students in all strands (NAPLAN 2016)
- Increase the number of students in the Upper 2 Bands to 22% or better in 2016
  Enhance the capacity of the teaching staff to analysis student data to enable them to develop a variety of teaching strategies that will lead to increased student outcomes
- Review the implementation of the QCS preparation and continue with the development of the explicit teaching of the Common Curriculum Elements
- Increase opportunities for all students to obtain Senior Qualifications to maintain QCE attainment at 100%

Our initiatives include

- Employ Junior Secondary Heads of Curriculum to embed the explicit teaching of Numeracy and Literacy in all Junior classes
- Continue to build teacher capacity in our Teaching Framework the Dimension of Learning through intensive in-service and action research projects
- In-Service all the teaching staff in comprehensive data analysis and specific Literacy Strategies
- Employ additional support teachers and teacher-aides to teach literacy and numeracy classes, as well as to assist in mainstream core junior secondary classes
- Provide professional learning so teachers can analyse PAT-R / PAT–M / NAPLAN / LoA data sets to identify specific target groups within classrooms
- Develop a Analysis and Response to PAT-R Data Plan for implementing planned actions
- Conducting regular training to all staff on QCS preparation and the explicit teaching of the Common Curriculum Elements

Our school will improve student outcomes by
